- Launched the Safe Kids Coalition website.
- Coordinated with Oregon’s Congressional Leaders to represent the needs of Clackamas County’s children and youth.
- Compiled a community needs assessment for children and youth impacted by trauma related to the COVID-19 pandemic as part of a coordinated funding request for American Rescue Plan Act assistance.
- Host regular gatherings of local nonprofit leaders and other supportive individuals to share support, resources, updates, challenges, funding opportunities, coordinated services, and gaps.
- Local outreach regarding the work of Safe Kids Coalition with presentations to area civic organizations.
- Educating the community and policy makers on the role of community-based organizations and the interconnected needs of children and youth.

Our Mission and Vision

The Safe Kids Coalition for Clackamas County uses a collective impact model to ensure critical services are accessible to children and youth impacted by trauma.

Our vision is to create a community where the safety and well-being of children and youth are a top priority and a shared responsibility.

The Safe Kids Coalition promotes critical services and prevention efforts for children and youth impacted by trauma.

The safety and well-being of children and youth in our communities must be a top priority and a shared responsibility among caring adults.

What is the Safe Kids Coalition?

A long-standing cooperative effort has formalized as the Safe Kids Coalition for Clackamas County. Led by local nonprofit agencies partnering with the community, the coalition serves the needs of at-risk children, youth and families.

The Safe Kids Coalition represents the interests of more than 80,000 children and youth in Clackamas County.
